

300 CASES OF FLU

Local Physicians Are Alarmed Over Gripe Situation—Business Places to Close Evenings

A special meeting of the board of health was held at President Robt. K. McDonald's office this morning to discuss the alarming increase of influenza throughout the city and take action that might seem advisable to stamp out the epidemic, or at least retard its spread.

It was decided to order the closing of all soda fountains, this rule to take effect at 6 a. m. on Thursday and remain in force until further notice.

The board also adopted a resolution that all stores, shops and saloons be closed at 6 o'clock each evening and remain shut until the same hour next morning; that no store, shop or saloon allow a larger number of people in their places of business than the clerks can wait upon. The penalty for noncompliance with this resolution is a fine of \$10 to \$50 or 30 days in jail.

How the strict provisions of this resolution—or that portion of it limiting the number of patrons who may be admitted to business places—can be enforced, the board does not state. Many of our people are becoming quite alarmed over the situation, some of the physicians estimating that there are 300 cases of influenza in town at the present time and quite a few cases of pneumonia.

Several adjoining cities have been lax in enforcing health regulations and as a consequence it is said that Marshfield has 1,500 on the sick list, Wausau nearly as many, and Grand Rapids a close third.

While the rules adopted at this morning's board meeting are somewhat stringent, yet it may be the wisest course to pursue. At any rate, we believe all will endeavor to comply as far as they are able.

NEW MANAGER AT BURLY'S

H. W. Orthman arrived here from Manitowoc last Monday and has assumed the management of the A. E. Burlingame Co. cigar and billiard hall. James Smith, who had been acting as manager temporarily, will remain as clerk.

Mr. Orthman is the father of C. S. Orthman of the Citizens National bank and his wife and two daughters will arrive later to take up their residence here. Mr. Orthman spent a part of Tuesday at Eau Claire.

TRAINS COLLIDE

Shortly before reaching this city last Friday evening, the Portage passenger train, due here at eight o'clock, collided with a string of box cars. There were no serious results. The 23 persons on board were somewhat shaken up, the engine of the train was damaged considerably, and the first of the string of cars was demolished. The passenger train was in charge of Conductor Wm. Hogan and Engineer M. W. Buck.

ANOTHER SOLDIER CALLED

Carl Oertel, Stevens Point Young Man Assigned to Fort Stevens, Dies There Last Week

The body of Carl Oertel arrived on Soo line train No. 2 at 2:55 o'clock this afternoon from Fort Stevens, Ore., and was met at the depot by relatives and friends of the young soldier, including a large deputation of state guard members and Weber's band, who acted as honorary escort to Forest cemetery.

Rev. Karl Freytag of the Friedens Evangelical church offered prayers at the grave, the remains being then consigned to their last resting place in the family lot.

Carl, who accompanied a contingent of soldier boys to the western front six months ago, died there at 10 o'clock last Friday morning. He was taken with influenza only a week before and his condition became serious almost at once. Several telegrams of an alarming nature were received early last week but a day or two later the medical staff had hopes for his recovery.

Carl was a native and continuous resident of this city until he joined the military forces last spring. He was born here 31 years ago the 16th of last February and after completing his studies in our city schools he engaged in the saloon business as successor to his father, the late Geo. Oertel, Sr. Just before Carl left here the South Side business, which was conducted under the firm name of Oertel Bros., was discontinued.

His military experience was confined almost exclusively to service at Ft. Stevens, although the young man was stationed at Fort Columbus for a short time.

Both of Carl's parents are dead but he is survived by three brothers, John, Geo. J. and Fritz, all of this city. Mrs. C. Geisler of Stevens Point, Mrs. Mary Trowbridge of Frederic, Wis., and E. R. Zimmer, the latter now located at Hibbing, Minn., but who came here to attend the funeral, are aunts and an uncle of the deceased. Carl was a big hearted, wholehearted young man whose friends were legion. He gave his life for his country's cause just as surely as though his death took place on the battlefield and therefore his name will be inscribed on the nation's roll of honor.

VOLUNTARILY OVERSUBSCRIBE

District No. 2 in the town of Pine Grove is one of the sections of the county that feels a just pride in knowing that it went over the top in the Fourth Liberty Loan campaign. The committee in charge of taking the district subscriptions was composed of D. H. Pratt, chairman, E. O. Beggs and Will Roseberry, and the chairman reports to County Chairman J. R. Pfiffner that the sum of \$3,850 was voluntarily subscribed in his district.

RECOVERS FROM FLU.

Mrs. P. J. Bresnahan and son, Guy, returned here last night from Grand Forks, N. Dak. The lady was called to the west last week by a message stating that Guy was dangerously ill with influenza, but before her arrival there he had passed the critical stage and is now fast regaining his strength. The young man left here last spring and had been in North Dakota for about ten weeks.

CHIMNEY 200 FEET HIGH

Largest Smokestack in Central Wisconsin to be Erected at New Paper Mill Plant Here

The standpipe at the Stevens Point Water Co. plant rises to a height of 140 feet above ground, but this will be dwarfed in comparison with a chimney about to be erected by the Consolidated Paper Co. at their new mill in this city. The immense building in which paper making machinery will be placed is undergoing construction by a large force of men. The boiler room is to occupy a portion of the south end and just beyond this the smokestack or chimney will be placed.

A base of solid concrete 26x28 feet in dimensions is now being laid and the stack will tower above this for a distance of 200 feet, or 60 feet higher than the water works standpipe. The foundation or base covers as much ground space as the average house.

SMALLPOX IN TOWN

Two cases of smallpox have broken out in this city, the first being discovered yesterday in the home of Patrolman Joe Bartkowiak, 919 Fifth avenue, where one of the children is sick, and the other is at the Stroik home on Portage street. Both houses are under quarantine.

LESLIE KRUEGER ARRESTED

A dispatch from Brainerd, Minn., says that Leslie Krueger, one of the brothers who figured in the sensational duel with a posse near Owen recently, is in custody there. The youth, an admitted draft evader, confessed his identity. Krueger said he had been in that district several days. He says he ran away from the Krueger home when the firing began and learned of the death of his brother and a member of the posse from newspaper accounts. He admitted that he was opposed to war, but claimed that neighbors had made false charges of disloyalty against the family.

DAVE HYMAN IS DEAD

David Hyman, aged 23 years, eldest son of Mr. and Mrs. L. A. Hyman, former residents of this city but who moved to Wausau some years ago and now live in Chicago, died at the family home last week and was buried in B'nai Abraham cemetery on Wednesday. The father was engaged in the fruit business here for several years. David is survived by his parents, three brothers, Harry, Ben and Rudolph, and two sisters, Anna and Ruth. Several of the older children, including David, are natives of this city. Local friends extend sympathy to the afflicted ones.

LEAVES FIVE CHILDREN

Ira May, wife of Oliver S. Emery, a Soo line brakeman, died at the family home, 1106 1/2 Michigan avenue, last Monday, aged 31 years. Influenza and pneumonia caused her death. Besides the husband, she leaves five children. Funeral services were held at the Michigan avenue home this afternoon and interment took place in Forest cemetery.

Mr. Emery is surely entitled to sympathy in his great affliction.

LEAVES TWO SMALL CHILDREN

Mrs. Felix Glodowski, who observed her twenty-sixth birthday anniversary on the 15th of last May, died at her home, 348 Franklin street, at 4:30 o'clock Monday morning. Her husband, who is employed as driver by the Union Delivery Co., was laid up a few days last week with influenza and when he had nearly recovered, Mrs. Glodowski was taken sick. Pneumonia developed the latter part of the week and her physical strength was not sufficient to rally from its effects.

A distressing element of her death lies in the fact that she leaves two small children, a girl of three years and a baby born four weeks ago.

Mrs. Glodowski was a daughter of Mr. and Mrs. Joe Pezylowski of Dewey township. She grew to young womanhood there but had been a resident of Stevens Point since her marriage four years ago.

Funeral services will be held at the Roman Catholic church at 10 o'clock Thursday morning, with interment in the parish cemetery.

WAS FORMER TEACHER

Miss Jessie Hawn, Instructor in City Schools for Many Years, Dies in Chicago Last Week

Although members of her immediate family had realized the seriousness of Miss Jessie Hawn's physical condition during the past year, those who met her less frequently had every reason to assume that the lady enjoyed perfect health. Therefore, when a message announcing her death was received here, many refused to believe the report and all hoped that it might prove to be an error.

Miss Hawn left here last month for Milwaukee to visit her niece, Miss Myra Congdon, a teacher in the city schools, and three weeks ago went to Chicago. She had been troubled with goitre, which of late had interfered with her breathing, and Miss Hawn decided to have it removed by one of Chicago's most successful surgeons, the operation being performed at Post Graduate hospital. Letters from her brought the information that the neck and throat trouble had been eradicated and that her strength was rapidly returning.

A week ago Monday the lady was again operated upon for internal disorders and was doing exceptionally well until about noon on Wednesday, when a change came and she expired a few hours later.

Mr. and Mrs. John Hawn, parents of Miss Jessie, were among the first settlers in Stevens Point. The young lady was born here and had been a continuous resident of our city. She attended our public schools, finishing the High school course with the class of 1895, and for a period of twenty-six years was numbered among our most efficient grade teachers. During a good portion of this time she conducted classes in what is now known as the Washington school, on Clark street.

A couple of years ago Miss Hawn declined reappointment and since then had been enjoying comparative leisure.

She is survived by one sister, Mrs. J. R. Congdon, with whom Miss Hawn had made her home for many years, and two brothers, Fred I. Hawn of Kingsville, Texas, and Russell J. Hawn of Staten Island, N. Y.

The body was brought here Thursday and private funeral services held at the Congdon home Saturday afternoon at 4 o'clock, conducted by Rev. E. Croft Gear, pastor of Church of the Intercession. Interment was made in Forest cemetery. Those serving as casket bearers were R. A. Cook, J. V. Collins, C. F. Martin, G. L. Park, John O'Keefe and H. J. Finch.

LITTLE BOY DIES

James Johnston, eight year old son of Mr. and Mrs. Albert Johnston, 319 Water street, passed away at the home of his parents last Friday afternoon at 5:15 o'clock, after a short illness with pneumonia. His father is with the Canadian army in France, having been in service for the past four years, and the mother and children have been living here for the past few years. James had attended our public schools.

The funeral was held from the home at 4 o'clock Sunday afternoon and Rev. G. M. Calhoun of St. Paul's M. E. church officiated. Interment followed in Forest cemetery.

YMAS PACKAGE ASSISTANTS

List of Ladies in the County Who Will Assist Chairman in the Proper Distribution of Gifts

Miss Anna Park, chairman of the County Christmas Package committee, has appointed the following ladies to assist in the work of sending packages to the soldiers in France:

Publicity and County Distribution—Mrs. D. J. Leahy, Chr.

City Inspection Committee—Miss Elida Moen, Chr., Mrs. E. G. Bach, Mrs. C. G. Macnish, Mrs. Moritz Krembs, Mrs. O. O. Little.

Sub-stations will be established at Amherst, Almond, Rosholt, Bancroft and Junction City, with the following ladies in charge as chairmen:

Mrs. L. A. Pomeroy, Amherst. Mrs. W. A. Webster, Almond. Mrs. L. J. Torney, Rosholt.

Mrs. Fred E. Gustin, Bancroft. Mrs. G. W. Reis, Junction City.

Following are names of those acting in like capacity, in towns having no village center, but who will deliver the packages to headquarters, Stevens Point:

Mrs. J. K. Hanson, Stockton. Mrs. G. C. Springer, Buena Vista. Mrs. Sarah Peterson, Belmont. Mrs. William Hewitt, Lanark. Mrs. C. M. Sanford, New Hope. Mrs. Walter Barnesdale, Plover. Mr. Barney Rychter, Dewey. Mrs. Gustave Borth, St. Eau Plaine. Mr. Andrew Timm, Grant. Mr. John G. Marchel, Hull. Mr. Fred Giese, Linwood. Mr. John Kaba, Sharon.

HELP FOR FIRE SUFFERERS

The home and foreign relief department of the women's committee of the Portage County Council of Defense last week collected and sent to Superior six boxes of clothing, comforts and quilts for the Wisconsin sufferers from the forest fires which did so much damage. The articles were collected by Mrs. D. J. Leahy, chairman, and were packed at her home and at the home of Mrs. Arthur Haertel and consigned to Mrs. Philip G. Stratton of Superior for distribution.

WAY OVER THE TOP

Portage County Raises \$17,350 More Than Its Quota in Liberty Loan Drive

The table published below, showing that Portage county residents and industrial institutions bought Fourth Liberty Loan bonds for a total of \$1,077,900, is approximately correct according to the returns received by Chairman J. R. Pfiffner and in all likelihood won't vary more than a few hundred dollars when the complete count is made.

During the latter part of last week, before it was definitely known that the county could raise its quota of \$1,060,550, Mr. Pfiffner received subscriptions from all the county banks, which agreed to take their proportionate share of any deficiency that might be found at the close of the drive on Saturday evening.

Early that day it was thought that the county would be unable to reach its goal by a comparatively small amount and the city and county banks were asked to take \$39,000 of the bonds. The city sales between noon and 9 o'clock that night increased so much that the subscriptions made by all the banks except those in the city, at Arnot and Junction City were withdrawn.

FINISH SEASON'S RUN

The John Week Lumber Co. saw mill closed its season's run last Friday, when the last log in the sluiceway was manufactured into lumber. While this year's output is somewhat smaller than usual, the mill has been operated steadily since early spring and a large number of men were given employment at good wages. The planing mill is operated through the entire year, while many of those who are employed in other departments during the summer spend the winter season at logging operations. About sixty men are now at work in the woods and others will be added as soon as cold weather sets in.

LOSE THEIR ONLY CHILD

Mr. and Mrs. S. E. Kellar, Former Residents of This City, Are Bowled Down With Sorrow

Of the many sad deaths noted in this week's Gazette, none will cause more profound sorrow than that of Miss Freda Kellar, daughter of Mr. and Mrs. Stanley E. Kellar of New Rochelle, N. Y. The young lady's parents are former residents of Stevens Point, Mr. Kellar being engaged in business here a quarter century ago and was married in this city to Miss Fredericka Kuhl, oldest daughter of Mrs. C. Kuhl.

Freda was born in Chicago, where the parents moved shortly after their marriage, later going to New York city and then to New Rochelle, a suburban town, where Mr. Kellar is engaged in the insurance business.

Mrs. Kellar and Freda, who was then a little girl of ten or twelve years, visited here about fourteen years ago. The mother also spent several weeks with local relatives in 1916.

Only meagre details concerning the young lady's illness have been received, the telegram stating that she died of influenza last Sunday and would be buried today.

She had every advantage of education and social environment and thus to be cut down in the prime of young womanhood is indeed a hard blow.

Mr. and Mrs. Kellar have the heart felt sympathy of Stevens Point friends in the loss of their only child.

TOWN OF PLOVER RESOLUTION

The town of Plover board of health has taken the following action:

"Resolved, by the Board of Health of the town of Plover, that we act in accordance with the order of the state board of health on account of the epidemic of influenza and order closed all places of assembly, including churches and schools, public and parochial, in the town of Plover until health conditions warrant their reopening.

"D. H. Parks,
"Geo. Cartmill,
"W. H. Calkins."

BIGGEST FLIGHT IN HISTORY

A few weeks ago The Gazette quoted from a letter written by E. P. Trautmann, former superintendent of the Stevens Point Water Co. but now living at Hollywood, Cal., wherein he told about twelve airplanes flying over the Los Angeles suburban town, a wonderful sight to him and the members of his family, as back here in Wisconsin the burr of the airplane motor is seldom heard.

Since that time Mr. Trautmann has found that there is room in the air for more than a dozen planes, for on Saturday, Oct. 12th, a procession of 103 made the flight from Marsh field at Riverside, Cal., to El Segundo and return, passing over Hollywood en route. It was the greatest airplane flight in American history. Its purpose was to boost the Fourth Liberty Loan and the effect was all that could be desired.

Mr. Trautmann recently received word from his brother at the front. He is now in a hospital in Paris, having been gassed.

DEATH AT JUNCTION

T. B. Fryar Fractures Skull on Cement Walk Last Wednesday Night and Dies Next Morning

Thomas B. Fryar, for many years a resident of Amherst, where he followed the vocation of a painter and paper hanger, died last Thursday morning under circumstances which may develop at a coroner's inquest to be held there tomorrow.

From stories gathered thus far it seems that Fryar spent most of last Wednesday at Amherst Junction and imbibed quite freely during the day and early evening. At about 8 o'clock that night he bought a drink at J. P. Dineen's place, later getting into a dispute with the proprietor over the amount of change he should receive.

Whether or not Dineen ejected him from the saloon is a disputed point, but at all events Fryar emerged through the front doorway and fell heavily on the cement walk, fracturing his skull.

He was conveyed to a relative's home at Amherst, but never regained consciousness and died shortly before noon on Thursday.

"Tom" Fryar used to make frequent visits to Stevens Point a quarter century or more ago, at which time he was regarded as one of Amherst's leading citizens and a man of much influence in his community. Most of our people had lost track of him during recent years but those who knew the gentleman in the old days will remember his good traits and draw the veil of charity over his shortcomings.

Funeral services were held at Amherst the latter part of last week and the remains laid at rest in Greenwood cemetery.

BOARD TAKES PRECAUTIONS

Among the precautions taken by the local board of health to prevent the spread of the prevailing epidemic, was the posting of "No Loitering" signs in all business places in the city last Thursday. Everyone is requested to transact his business and move on. The signs were distributed about the city by Alderman J. N. Welshy and Ben R. Hughes and Assistant Chief of Police Frank Falkiewicz.

Yesterday placards calling attention to the anti-spitting ordinance were posted, and persons are requested to use their handkerchiefs when sneezing or coughing. Expectorating on the sidewalk or in public places is positively prohibited.

Public assemblages are taboo and because of this order the regular meeting of the Woman's club last Saturday afternoon was postponed and the Monday noon luncheon of the Rotary club was dispensed with. It is even urged to forego small social affairs in order to avoid all possible chance for spreading the contagion.

The board has instructed all undertakers in the city to have all funerals private, and this ruling is being carried out.

GAIN ONE HOUR NEXT SUNDAY

Don't forget to turn your clocks and watches ahead eleven hours next Sunday morning at 2 o'clock. Or, if you don't want to stay up so late, turn them ahead the night before when retiring and then go to bed and forget all about it, and when you wake up, you will have had an hour's more sleep than you think you had.

Anyway, to conform to the daylight saving law, the order has been issued to set watches and clocks back one hour, but it is better for their mechanism to turn them ahead eleven hours.

SUBSCRIBE \$1,000 OR OVER

Additional residents of Stevens Point who have subscribed for Fourth Liberty Loan bonds, amounting to \$1,000 or over, not previously mentioned in The Gazette, are the following:

First National Bank	\$12,500
Citizens National Bank	8,000
Northwestern Life Insurance	5,000
Automobile Credit Mfg. Co.	5,000
Wisconsin State Bank	4,000
Wisconsin Valley Electric Co.	3,000

FOLLOWS HER HUSBAND

Mr. and Mrs. Cleveland Kingsbury. Prominent Young Couple at Wausau, Succumb to Influenza

When the report of the death of Cleveland Kingsbury of Wausau reached Stevens Point last Saturday, deep regret was felt by his many friends here, where he was well known, having been a frequent visitor to this city and having married a Stevens Point young lady, Miss Margaret Mason.

At the time of his death Mrs. Kingsbury was also ill with Spanish influenza, as were also four other members of the household, Mrs. Kingsbury's sister, Miss Doris Mason, the two little daughters of Mr. and Mrs. Kingsbury and a maid. Mrs. Kingsbury was critically ill on Saturday, but appeared to have passed the danger stage on Monday, and it was, therefore, a great shock to relatives and friends when they heard that she had died at 2:30 o'clock Tuesday morning.

Miss Kate Ball of this city, an aunt of Mrs. Kingsbury, went to Wausau last week to assist in caring for her sick relatives, and Mrs. Kingsbury's mother, Mrs. C. P. Mason, was also there, as is Miss Edith Hamaker of this city, a friend of the family, who teaches at Wausau.

Mr. and Mrs. Fred Ball, who have made several motor trips to Wausau since learning of the illness at the Kingsbury home, attended Mr. Kingsbury's funeral last Monday and Mr. Ball will also attend Mrs. Kingsbury's funeral tomorrow but Mrs. Ball will be unable to go up.

Cleveland Kingsbury was taken with the influenza on Monday of last week and died at his home, 511 Tenth street, Wausau, shortly after ten o'clock the following Saturday morning. The news of his death came as a great shock to the community, though it was known on Friday that pneumonia had set in and that he was very ill.

Mr. and Mrs. Kingsbury went to Wausau to reside in the spring of 1917, when the Kingsbury & Smart Company, of which Mr. Kingsbury was the resident partner and manager, purchased the Neuling & Bayer store. The Wausau Record-Herald says that in the brief time since then he had attained a prominent place among Wausau's business men, and had many friends. He had been very active in all civic affairs, taking a great interest in everything pertaining to war activities, and being always ready to sacrifice his time and money to help put them through.

Mr. Kingsbury was thirty-eight years old last July. Prior to going to Wausau, he was a traveling salesman for Carson, Pirie, Scott & Co. of Chicago, and was most successful in that line of endeavor. He was a member of St. John's Episcopal church, of the Masons, Elks and United Commercial Travelers, the Wausau Club and the Wausau Country Club. He survived by his father of Moorhead, Minn., and a sister, who lives in Chicago.

Funeral services for Mr. Kingsbury were held at the home at Wausau Monday morning at 11 o'clock. Rev. Hubert F. Hinton being in charge. Interment was in Pine Grove mausoleum. Those from out of the city who went to Wausau to attend the funeral besides those from Stevens Point already mentioned were W. C. Kingsbury of Fargo, N. D., Mr. and Mrs. W. D. Coats of Iowa City, Iowa, Clarence Salisbury of Chicago and M. M. Smart of Montello.

Cleveland Kingsbury and Miss Margaret Mason were married in this city on June 7, 1911, and immediately after their marriage they went to Marshfield to reside, remaining there until the spring of 1917, when they moved to Wausau. A few years ago they adopted two little girls, Doris Anna and Mary Catherine, both aged six, the latter having reached her sixth year on the day of Mrs. Kingsbury's death.

Margaret Mason was born in Stevens Point on February 7, 1891. She was the second daughter of Mrs. Mary Mason, her father, the late C. P. Mason, having passed away a number of years ago. She attended the Stevens Point public and Normal schools, and was a young woman of charm and deservedly popular. Besides her mother, she is survived by two sisters, Mrs. Harry Atwood of Marshfield, and Miss Doris Mason of Wausau.

Private funeral services for Mrs. Kingsbury will be held at her late home tomorrow morning at 11 o'clock. Father Hinton also officiating and interment will be made in the mausoleum beside her husband.

The last report as to the condition of Miss Doris Mason, received yesterday, was that she was improving.

ELECT OFFICERS

At a meeting of the Ladies' Aid of St. Paul's M. E. church held last week, the following officers were elected:

Pres.—Mrs. Florence Whitney.
1st Vice Pres.—Mrs. Harvey Wildard.
2nd Vice Pres.—Mrs. W. S. Young.
Recording Sec.—Mrs. W. F. Fisher.
Treas.—Mrs. C. J. Rolfe.

TO LEAVE FOR FRANCE

Mrs. Florence Whitney, 118 Jefferson street, has received word from her son, Carl, that he will be leaving for France in about a week. They had all their overseas equipment and expected to leave before this, but the camp was quarantined for measles, delaying their departure. Carl has been in an artillery school at Camp Taylor, Kentucky.

YOUNG MAN DIES

Pneumonia Takes Another Victim and a Young Husband and Father Is Called

Antone G. Roeder, son of Mr. and Mrs. George Roeder, passed away at his home, 426 Center street, Sunday, shortly after the noon hour. Pneumonia was the cause of his death.

Born in Marathon county, April 29, 1897, Antone came to this city with his parents when he was four years old and this had been his home since. He completed the eighth grade of the German Lutheran parochial school and about three years ago was married to Miss Ida Karsten of this city. Recently he had been employed on the Soo line rip track.

Besides his wife and parents, he is survived by a little daughter, Antoinette, and two sisters and two step-brothers. The sisters, Mrs. T. H. Markowski and Mrs. Paul Simon, reside at Evanson, Ill., and near Green Bay, respectively. The step-brothers are John Roeder of Almenat and Wm. Roeder of Antigo.

A private funeral was held at 2:30 o'clock this afternoon from the German Lutheran church, with burial in the parish cemetery.

QUIT PROFITEERING ORDER

Hotels and other public eating houses have received warning from the Wisconsin food administration to cease profiteering immediately or pay the penalty. As food costs no more in the market than it did a year ago, there is no reason why the cost of food served in hotels should be higher than it was then.

New and more drastic rules governing the conservation and serving of food in hotels and restaurants are now being drafted by State Administrator Swenson.

No bread or toast "as decoration" for meats or other dishes.

One teaspoonful of sugar per meal for per son.

Not more than one-half ounce of butter or cheese per meal per person.

Only one portion of meat per person per meal, and only one kind. This means that if pork chops are ordered, only one regardless of size must be served.

No food must be burned. Waste food is to be saved for food for animals.

DIES IN CALIFORNIA

Mrs. E. P. Trull, Formerly Lucia A. Cobb of Portage County, Passes Away Unexpectedly

Many friends in Portage county will grieve to learn of the death of Mrs. Ervin P. Trull of Pomona, California, which came without warning on Thursday of last week.

The deceased lady, whose maiden name was Lucia Ann Cobb was a daughter of Lewis E. and Lydia A. Cobb, pioneer residents of Portage county. Before her marriage to Ervin P. Trull she was a popular and successful teacher of Portage, Shawano and Waupaca counties. She also taught in Nebraska and Colorado, and for a number of years she was in charge of the school of other people who knew her she was held in high regard. She was a loving daughter and sister and a good and noble woman in every sense of the word, and Wisconsin relatives are bowed down by their great and unexpected sorrow as she had only recently written home that she was well, happy and thankful for unusually good crops and a most prosperous year. Besides the husband, Ervin P. Trull now of Yuma, Arizona, the immediate relatives are the mother, Mrs. Lydia A. Cobb, two brothers, Chas. E. and S. I. Cobb, a sister, Mrs. A. Martin of Almond, R. 2, Wis., two other sisters, Mrs. H. E. Edwards of Stevens Point, and Mrs. A. P. Eer of Amherst.

Interment will take place in Colorado Springs cemetery, to be in the shadow of Pike's Peak, which she dearly loved. She will be beside her three children, George, Vera and Mae Trull, the Trull family having lived in Colorado Springs before removing to California.

A memorial service will be held for her when the husband arrives.

The Pomona Bulletin gives the following account of Mrs. Trull's death: Mrs. Lucia A. Trull, wife of Ervin P. Trull, was found dead on Thursday of last week at her home, by a neighbor, who called in and found her body lying on the floor by the open door.

Mr. and Mrs. Trull had only recently moved to their ranch southeast of Pomona, where they own a peach orchard. There he had built a cement garage in which they were living until a residence could be erected.

Mr. Trull had gone to Yuma, Arizona, to look after a cotton plantation of 125 acres, the wife remaining here until the peach crop had been marketed. Neighbors had supposed Mrs. Trull had gone to Los Angeles and nothing was thought of her absence.

She had recently been subject to attacks of asthma, and the coroner's investigations brought the opinion that she had succumbed during a severe attack.

WOMEN READY TO AID UNITED WAR WORK CAMPAIGN

WISCONSIN WOMANHOOD TO BE BIG FACTOR IN DRIVE FOR WELFARE FUND.

When it was decided to hold a campaign for the United War Work Campaign, set for next month, women are being enlisted in every district, county, city, village and township in the state to push the great work of the seven war welfare organizations allied in the campaign.

Just as there is a woman worker for every fighter in the great women's industrial army at this time, so will Wisconsin have a woman worker for every man worker in this great campaign for funds.

Miss Clara S. Roe of Madison, heads the woman's work in the campaign as state director and a woman's council has been formed composed of members of the various organizations aligned in the campaign in which women are especially identified. Other prominent woman's organizations are also represented on this council, among them the State Council of Defense, the Federation of Woman's clubs, the Consumer's League, the Collegiate Alumnae Association, the Women's Trade Union.

Working together on this campaign are women of all creeds, Catholic, Protestant and Jewish, bending their efforts in one accord, to serve the enlisted men and women war workers.

American women abroad are striving every nerve to serve the needs and wants of the boys first hand, the nurses, putting on dressing attire, and the Y. M. C. A. cartoon workers, putting on uniforms of caps or cloaks for the boys when the soldiers are in the line.

Learn to Concentrate.

Concentration is the secret of concentration. When you are young you are not concentrated. The young people who are going into business should never allow their minds to wander. Do not read, listen and take part in the conversation at the same time. If you do not enjoy the lecture you are attending, listen to it as if it were the most interesting thing in the world. When you are doing a thing, do it with all your heart, mind and strength. Do not let your mind wander. Do not let your mind wander. Do not let your mind wander.

New Motion Picture Camera.

A motion picture camera has been invented for taking portraits which are separated and mounted in book form, the appearance of motion being imparted as the pages of the book are turned rapidly.

U. S. FOOD ADMINISTRATION FOR PORTAGE COUNTY—BULLETIN OF FOOD PRICES

Use Wheat, Flour, Sugar, Meats and Fats Sparingly.

Retail prices which consumer should pay for staple foods are given below. Variation in retail prices is due to difference in brand and quality of goods. The food administration welcomes any suggestion or complaint; same should be addressed to J. M. Pfiffer, County Federal Food Administrator, Stevens Point, Wis.

Merchants who have sugar on hand that was purchased at old market price must continue to sell at 9 1/2 cent per pound. The price of 11 cents per pound is only for merchants who are obliged to buy at the advanced price.

ROAD WORK BEING DONE

That portion of highway No. 10 extending from the Moore barn in Plover to the town of Almond is being graded up by one of Highway Commissioner Cauley's crews, who are using a grading machine on the road.

Three men and an equal number of teams are also employed on the Wausau road, portions of which are being re-surfaced with disintegrated granite.

These two jobs will practically complete the season's efforts in Mr. Cauley's department.

Optimistic Thought.

There can be no lasting concord between liberty and tyranny.

There was never a time when the sacrifices and the help of women were more appreciated than at the present time. Women should learn war-nursing and nursing at home. There is no better way than to study the new edition of the "Common Sense Medical Adviser" with chapters on First Aid, Bandaging, Anatomy, Hygiene, Care of the Sick, Diseases of Women, Mother and Babe, the Marriage Relations, to be had at some drug-stores or send 50c to Publisher, 654 Washington Street, Buffalo, N. Y.

If a woman suffers from weak, back, nervousness or dizziness, if pains afflict her, the best tonic and corrective is one made up of native herbs and made without alcohol, which makes weak women strong and sick women well. It is the prescription of Dr. Pierce, used by him in active practice many years and now sold by almost every druggist in the land, in liquid or in tablets. Send Dr. Pierce, Buffalo, N. Y., 10c for trial pkg. Dr. Pierce's Pleasant Pellets are also best for liver and bowel trouble.

There is nothing that will bring comfort and renew hope to the invalid so surely as good news.

Dr. Pierce has good news for every suffering woman. Write him today and tell him your troubles, and he will send you just the right advice to restore you to health, and that without charge. His "Favorite Prescription" has been the rescue of thousands of suffering women. Write grateful patients have taken Dr. Pierce's advice.

WANTED TO JOIN ARMY

But The Ambition of The Young Man to Enter Service Was Cut Short by Influenza

Because of a physical disability Frank Wetzekowski was not eligible to enter army service and in order to overcome this obstacle he went to Rochester, Minn., three weeks ago to undergo an operation for a defective ear. The operation was successful and he was happy in the fact that he could now become a soldier of the United States, when he was stricken with influenza and died at Rochester last Thursday morning.

The body was brought to his home, 502 Wadsworth street, Saturday afternoon, and the funeral was held from St. Peter's church at 9 o'clock Monday morning, Rev. S. A. Elbert officiating. Burial was in the parish cemetery.

Frank Wetzekowski was born in this city nineteen years ago last June 10, and received his education here. A short time ago he went to St. Paul, where he was employed before leaving for Rochester. His mother preceded him in death, and besides his father he is survived by three brothers, Joseph of the town of Hull, John of Manitowish and Walter at home, and four sisters, Mrs. Theodore Cichosz of Wauwatosa, Catherine and Elizabeth at home and Mrs. Alex Kalpinski of this city.

Mrs. Robt. Maine went to Oshkosh last Sunday to visit a few days with her daughter, Mrs. H. W. Jeffers.

YOUNG STUDENT CALLED

Coming here for a short visit while enroute to Appleton where he expected to enroll as a student at Lawrence college, Floyd Emerson Hamel of Kintiro, N. Dak., was taken sick at the home of his aunt, Mrs. E. W. Langenberg, and died just before midnight last Friday. Spanish influenza and other complications caused the young man's demise. He arrived in Stevens Point two weeks ago last Saturday and was taken down a couple of days later. His father, Chas. J. Hamel, was sent for last week; he remained with the son until his death and accompanied the body to Appleton last Saturday afternoon, where burial took place.

Ord, Neb., was the birthplace of the deceased and the date March 12, 1899. While Emerson was yet a baby the family moved to this city and resided here a couple of years. They then lived at various places in Wisconsin, Michigan, Minnesota and North Dakota, Kintiro being their home town for the past five years.

Besides his parents, the young man

leaves a brother, Dale, at Kintiro, and one sister, Mrs. Grace Hudson of Spokane, Wash.

MAKING IMPROVEMENTS

F. A. Jewett, superintendent of the Wisconsin Valley Electric Co. power plant at Jordan, was in the city last Saturday. The company has been making a number of improvements to their water power east of the city, all of which are increasing their efficiency and while these improvements are temporary only, permanent ones are contemplated later.

LOCAL NEWS of INTEREST

Alex Kluck and son of Amherst Junction were visitors to the city last Wednesday.

Miss Mary Frazer left for Chicago last Friday afternoon to spend the winter with her sister, Miss Anna Frazer.

Mr. and Mrs. J. W. Strobe spent part of last week at Rhinelander visiting his sister and brother, Mrs. D. J. Cole and Frank Strobe.

Mrs. Jas. H. Kimball left for Fond du Lac last Friday night for a visit of several days with relatives there and at her former home in Berlin.

S. E. Karner, who now holds a good position at the Soo line freight office in Milwaukee, visited at his home in this city the last three days of the week.

The rifle work of the Student Army Training Corps at the Normal is now in charge of Second Lieutenant H. W. Wright, who arrived here last week from Camp Perry, Ohio.

Mr. and Mrs. E. A. Bernhagen, the latter's mother, Mrs. Carlson, and Clarence and Minnie Bernhagen drove down from their home at Junction City last Friday and spent several hours in the city.

Keep up the Christmas spirit with a message of cheerfulness. Do it with Christmas greeting cards. The Gazette has a complete line which we shall be pleased to have you inspect.

Jas. C. Webster of Amherst was a business visitor to this city last Friday. Mr. Webster has now recovered from his recent serious illness, when he was a patient at an Oshkosh hospital.

"Cake and Khaki," a story appearing in the November number of the "Woman's Magazine," is illustrated by Miss Katherine Southwick, whose home is in this city, but who has a studio in New York.

Agnes Seranfin, the three months old daughter of Mr. and Mrs. Frank Seranfin of the town of Carson, died Monday morning and funeral services were held at St. Bartholomew's church, Mill Creek, at 9 o'clock today.

While Ray Gibbs admits that this season's yield of potatoes on his farm near Stockton station was an entirely satisfactory one, he declines to claim an average production of 175 bushels per acre, as stated last week.

Mr. and Mrs. Mike Armatowski, who live on route 2 out of this city, visited their daughter, Miss Julia, here last Thursday and also were among the many county residents who did shopping in the city that day.

Miss Ann Gavin, a former member of the Stevens Point teaching staff, who was operated upon for intestinal trouble at a Minneapolis hospital a couple of weeks ago, is now improving quite fast and may be able to resume her position at Osceola early in November.

Grand Rapids Reporter Dr. George Pomainville of Nekeosa has gone to the River Pines Sanatorium near Stevens Point for a long rest and recuperation of his health. George has many friends in Grand Rapids who will be interested in his finding restored health and strength.

O. A. Solvord of Thorp spent the latter part of last week in this city and vicinity on a business trip and to visit at the home of his brother-in-law, G. A. Gullikson. Mr. Solvord purchased a car load of sheep from neighboring farmers and shipped them to a farm which he owns near Thorp.

John Dorsha, who operates one of the best farms in Pine Grove, came up Friday on a short business trip here. Mr. Dorsha was one of the enthusiastic workers in the Fourth Liberty Loan drive and believes that his town would have gone "over the top"—and then some—if the wealthier residents had done their fair share.

Major C. Martin of Minneapolis enjoyed a brief visit with Mr. and Mrs. Robt. Broten last Sunday morning while enroute from Indianapolis to Butternut, Wis., where he acted as escort for the body of a young soldier named Carlson, a victim of influenza and pneumonia. Mr. Martin's deceased wife was a sister of Mrs. Broten.

Geo. Wolfe, Sr., who was down from Eau Claire last Friday, could never be accused as a "slacker" in any sense of the word, but he admits that the hardest job he had tackled for some years was that of salesman in the Liberty Loan drive. He had quite a large district to cover and met with good success, although a few big land owners failed to "come across" for reasons which did not speak well for their patriotism.

Louis Rousky, who recently spent a furlough in this city and at that time expected to be transferred to another camp soon after his return to Fort Leavenworth, writes from the latter announcement that on account of the epidemic he believes he will remain at his present quarters for a while at least. He says that only two from the Buzzard school were victims of influenza, one from Wisconsin and one from Massachusetts.

Nick Jerzak, who has been in training at the U. S. navy camp No. 2 at Seattle, Wash., for the past several months, arrived here last Wednesday to spend a week's furlough at the home of his parents, Mr. and Mrs. August Jerzak, in the town of Hull. Another son of Mr. and Mrs. Jerzak, Frank, who is employed in Chicago, also came up the last of the week for a visit at the old home, coming at this time especially to see his brother who is in the service.

Miss Lucy Koshnick, who enlisted as a Red Cross nurse some time ago, received her call on Thursday to report for duty at Milwaukee. She left for that city the same day and from there she was sent to Camp Dodge, Iowa, where she expects to remain only a few weeks and then hopes to be sent overseas. Miss Koshnick, who is a graduate nurse, had been at the home of her parents, Mr. and Mrs. J. F. Koshnick, in this city for the past few weeks, awaiting her call.

Mrs. J. E. Burns left last week for Milwaukee, where she will visit relatives for about six weeks.

Mr. and Mrs. Geo. Buchan were up from Milwaukee for a Sunday visit with relatives and numerous friends in town.

Miss Mary Slater of Hinadale, Ill., is a guest of her sister, Mrs. A. H. Sikes, on Clark street. She will remain here for about a week.

J. C. Winkler, who is employed by the Soo line with headquarters at Chippewa Falls, spent a few days at his home here the first of the week.

Miss Aurella Kimball has returned home from Sheboygan Falls for a several weeks' stay, her school being closed because of the grippie epidemic.

Samuel Bunin, who had been receiving mechanical training at Beloit college for the past several weeks, has been transferred to Camp Crane, Allentown, Pa.

Carl Voge, who enlisted in the Students' Army Training Corps at the University of Wisconsin, has received the appointment of acting second lieutenant of field artillery.

Miss Grace Skinner, who teaches in the Superior Normal, is visiting at her home in this city. All the Superior schools have been closed on account of the influenza epidemic.

Garry Wollenschlager, who had been employed in Chicago, has been at the home of his parents, Mr. and Mrs. Chas. Wollenschlager, for the past few weeks awaiting his call to service.

Mr. and Mrs. R. A. Cook, Mr. and Mrs. C. G. Macnish, Mrs. Ellen Faulkner and Mrs. Viola Anderson drove to Wausau in the Cook car Sunday morning and mingled among friends a few hours.

Mrs. H. Barton and Mr. and Mrs. W. N. Wiley went to Hancock last Friday to attend the funeral of the first named lady's grandson and Mrs. Wiley's nephew, Claude Barton, which was held that afternoon.

J. Rellahan, who resides at 637 Water street, has bought the home at 214 Pine street owned by Joseph E. Leonard. Mr. Rellahan and family do not expect to move into their new home until the first of May.

Mrs. C. Kuhl, one of Stevens Point's oldest residents and the owner of much local property, is seriously ill at her home on Main street. She has been poorly for several months and seems to be losing strength each day.

Mrs. O. C. Torbenson, who is a graduate of Snow's college of dressmaking has opened a school of instruction at her home, 437 Water street. This college is the largest institution of its kind in America and has scores of branches in this and surrounding states.

Miss Lelia Chandler, who has been living with Mrs. Wm. Holmes at Menominee, Mich., for several months, is visiting a few days with another sister, Mrs. E. M. Copps, in this city. Mrs. Copps and Miss Chandler were at Minneapolis last week to attend the funeral of a cousin.

The place of Rev. B. J. Walejko, former assistant at St. Peter's church in this city and who has been assigned to a parish at Redgranite, is being filled by Rev. P. J. Novitski, who comes here from Cleveland, Ohio. The boyhood home of Rev. Novitski was near Green Bay.

Mr. and Mrs. E. L. Bassett and two children drove up from Grand Rapids last Saturday evening and were guests at the Parker home on Main street until next evening. They were accompanied by Mrs. Bassett's mother, Mrs. W. F. Parker, who spent most of last week with them.

Mrs. F. M. Corcoran left for Milwaukee Sunday morning to join her husband, who went to that city several weeks ago and is employed in a job printing office. Mrs. Corcoran has resigned as bookkeeper for Jas. B. Sullivan & Co. and her place is being filled by Miss Julia Dumas.

Stanley Frank Kunz, son of Mrs. Victoria Kunz of the town of Carson, has given his life for his country, word to this effect having been received by his mother last week. The young man, who left here with the contingent of May 1, died of wounds received in action on Sept. 30.

Mr. and Mrs. Will Atwell of Edgerton visited for a few days at the home of Mr. Atwell's mother, Mrs. W. F. Atwell, 1048 Clark street, prior to Tuesday morning and upon their return home were accompanied by the latter and Mrs. Ellen Carpenter, who are spending several days there.

N. W. Hoskins, who was mixed up in a stabbing affray at Coddington last week Tuesday was brought before Judge Murat on Thursday and the case adjourned until Nov. 11th. Bail of \$800 was furnished by W. C. Fisher of Almond and T. M. Ottrich of Pine Grove. Alex Shulfer, who is alleged to have been cut on the chest and arm by Hoskins, is improving.

The regular weekly drill of the members of Company M was held Monday evening at the Armory. On account of the influenza scare, a meeting of the Company was not held last week, but as most of the time during drill is spent in the open, and other companies in the state are continuing their weekly meetings, Capt. Orthman believed it advisable to drill as in the past.

Uncle Sam cautions the public to mail Christmas greetings early so as to relieve the congested condition of the mail just prior to the great holiday. Therefore, order your cards early, so that you will have plenty of time to get them to your friends. The Gazette has a fine sample line of patriotic cards which we shall be pleased to show you and take your order for what you want.

Mr. and Mrs. Jacob Gieslewicz of the town of Plover spent a good part of last Saturday in the city doing necessary shopping. They are among the progressive and prosperous farmers of Portage county and report an exceptionally good grain crop this season. Like most of his countrymen, Mr. Gieslewicz is patriotic to his finger tips and is glad to do everything possible to win the war. One of the patriotic works in which he is assisting is the collection of funds for the White Cross, and reports that the congregation of the Fancher Catholic church has already collected over \$2,000 for this good cause.

Miss Kathryn Stone is visiting friends at Kansas City, Kas.

An eight pound girl arrived at the home of Mr. and Mrs. John Urbanowski, 820 Fifth avenue, on the 16th inst.

Forest Sellers, who is in training at Great Lakes naval school, is spending a ten days' furlough with his mother in this city.

Peter Rhode, one of Carson township's most substantial citizens, was down from his farm near Junction City today on a short business trip.

Attention of the members of the registration boards of the city is called to the fact that they will meet at the usual places and hours next Tuesday.

Miss Bernice Maloney of Chippewa Falls returned to her home Monday after spending the past week as the guest of Mrs. John Reton on Main street.

The only marriage license issued lately by County Clerk Bourn was given this week to Ben Ropella of Stockton and Miss Rose Dombrowski of Plover.

Word was received by the Elks Lodge in this city that one of its members, Fred Hollenbeck, is a patient in the Wausau hospital, ill with Spanish influenza.

Mrs. Anna K. Michel, who had been visiting at the home of her brother, W. C. Kalke, 645 Elk street, for the past week, returned to her home at St. Paul, Tuesday.

E. A. Oberweiser left here Sunday on a ten days' trip to the east and will look after business matters for the Whiting-Plover Paper Co. in New York and Washington.

Alfred Carl Spindler, the 18 year old son of Mr. and Mrs. Gus Spindler, left here Monday night for Mineola, N. Y., where he has enlisted in the army aviation corps.

Stevens Point's honor flag, received for making, and in fact, oversubscribing its quota in the Fourth Liberty Loan, is suspended at the corner of Main street and Strongs avenue.

Mrs. Homer Bright and little son, Robert, returned to their home at Minneapolis, Tuesday, after a visit at the home of her parents, Mr. and Mrs. R. S. Cochrane, 715 Strongs avenue.

Miss Margaret Southwick, who recently enlisted for overseas Y. W. C. A. service, has arrived safely across, a telegram to this effect having been received by her parents, Dr. and Mrs. F. A. Southwick, on Tuesday.

Concrete lamp posts have been installed in the fountains on the public square and at the South Side by the Wisconsin Valley Electric company. They are a great improvement over the old ones.

It is reported that there are three serious cases of influenza in the Henry Urbans home a few miles below Almond. Mr. Urbans and two of the children being down with the epidemic and the attending physicians are alarmed at their condition.

Lewis Anderson, 1017 Wisconsin street, who has represented the Standard Oil company for a number of years, will be manager of the Valvoline Oil company's interests in this district in the future. He succeeds Merrill Guyant, who has represented the latter company for a couple of years.

Pres. John F. Sims, Lieut. Kaufmann, Dr. C. von Neupert, Jr., and the latter's daughter, Mrs. Harold Baebenroth, and Mrs. J. A. Cashin made a motor trip to Appleton and Oshkosh yesterday, where the gentlemen inspected the Students' Army Training Corps at Lawrence University and Oshkosh Normal.

Walter Stewart, son of Mr. and Mrs. W. A. Stewart, has written his parents that he has just returned to this side from his ninth trip across. He enlisted in the navy as a musician and is now wearing two gold bars, a symbol of his two years' in the service. Upon his return to this side he received a promotion to first class musician. He is spending a seven days' furlough in the east, as the time was too short to permit his coming home.

Mrs. J. A. Witte and four children will arrive here from their home at Grand Rapids, Mich., tonight to remain during the winter and possibly may decide to remain here permanently. For the present they will make their home with the lady's sister, Mrs. Wm. Goe, 1116 Church street. Mrs. Witte's mother, Mrs. Richard Gross, also lives here. It will be recalled that Mr. Witte died last February, after an eleven days' illness with septicaemia.

Mr. and Mrs. J. R. McKelvey returned this morning from a ten days' trip to Duluth, Superior and the district damaged by the recent fires in the northern part of the state. They were in that part of the state when the fires were raging their nearest, their friends and relatives having clothing packed ready to leave their homes at a moment's notice. Eight of the McKelveys lost their lives during the fires, either by drowning or burning to death.

DIVORCED, WILL REMARRY

After having been divorced about thirteen years ago, Jefferson Wright of Waupaca and Mrs. Elizabeth Wright of this city have decided to try married life together again. As a preliminary to that end they called at the office of County Clerk Fish yesterday afternoon and filed an application for a marriage license. Oshkosh Northwestern, Oct. 22.

Mr. and Mrs. Wright are former residents of this city, but for several years the gentleman has been living at Waupaca Veterans' Home and Mrs. Wright has been a resident of Neena.

DEATH OF WESTERN VISITOR

Young Man Comes From Portland to Visit Wife's People and is Stricken

Emerson in The Gazette appears as a victim of the death of Emerson Hamel, who came here from North Dakota to visit relatives, was taken with influenza and died from a subsequent attack of pneumonia.

On Monday night another young man who came from the west only a short time ago was stricken in a similar manner, his death coming at 10 o'clock.

Walter D. Scott arrived here from Portland, Ore., two weeks ago to become acquainted with his wife's people, he having married a daughter of August Lorbeck of Stockton in November of last year. A few days later he fell a victim to the prevailing epidemic and passed away at the hour above noted.

Mr. Scott was in the 27th year of his age, his birthday being Dec. 10, 1891.

Funeral services will be held at Fancher Catholic church on Thursday morning at 10 o'clock. Interment will follow in the parish cemetery.

YOUNG WIFE AND MOTHER

Mrs. F. R. Springer, Beloved Almond Lady, is Victim of Influenza and Pneumonia

No lady living in the south portion of Portage county was better known or more highly esteemed than Mrs. Frank R. Springer, and when announcement of her death was made last Thursday it caused pangs of grief in many a heart.

Mrs. Springer was taken ill about ten days before with the prevailing epidemic and a few days later pneumonia developed. She grew weaker quite rapidly and finally entered into the everlasting sleep at 1 o'clock Thursday morning.

A lifelong resident of the town of Almond and daughter of Mr. and Mrs. Clarence Wood, Lottie Wood was born on the old homestead 37 years ago. She attended the district and graded schools and also took special instructions in music, particularly voice culture, and ever since her girlhood had willingly and cheerfully as-

isted in carrying out the many programs given in her neighborhood. She also sang at many of the funerals held in the vicinity.

Twenty years ago last Monday Miss Wood and F. R. Springer were united in marriage. Their family comprises three children, Berna, a student at the Stevens Point Normal, Vivian and Gerald, both of whom now attend Almond High school.

Other near relatives are two brothers and a sister, Ira Wood of Manitowoc, Milton Wood of Bancroft and Mrs. John Mehne of Duluth.

Funeral services were held at her late home in Almond village last Saturday afternoon at 2 o'clock, conducted by the pastor of the local M. E. church, Rev. R. J. Bailey, followed by interment in Lone Pine cemetery. Old friends who served as pallbearers were John Fisher, Martin Manley, D. J. Schilling, Bert White, W. D. Corrigan and Ed. Golden.

Mrs. H. A. Hudson left for Milwaukee last week, called there by the illness of her daughter, Mrs. G. J. Collins, who has influenza.

Advice on Buying Mining Stock

Mr. Irving T. Bush of New York, President of the Bush Terminal Co., offers practical and sound advice to those having a small amount of money to invest. "In the first place," he says, "they should not ask too much. A real dividend of 5% is far better than a German dividend of ten. To those who feel the desire to buy stock offered with great promises I would say, base your judgment on past earnings, not on future hopes. I would recommend for them the experience of an old friend of mine:

"This man, the son of a country doctor, tells of how, when he reached man's estate and was about to go into business, his father took him into the little back office and swung open the door of the rusty old safe and took out a formidable bundle of stock certificates. 'My son,' said he, 'you are going into business and, I hope, will make some money and will want to save it. When the time comes you will wish to buy some mining stock. Every man does. When that time arrives come and see me. I will sell you some of mine. They are just as good, and will keep the money in the family.'"

WILL YOUR HEATING STOVE HOLD FIRE 72 HOURS

Every Favorite Soft Coal Heater does. That means that every Favorite must be splendidly built. The doors and registers are milled and planed until they fit as closely and precisely as the parts of a watch.

This means that the fire can be controlled always.

What is the use of going through another winter with that old stove of yours, with a half cold house and uncomfortable wife and children?

You won't have to get up every morning in the dead of winter with the house cold as outdoors and kindle a fire. A Favorite Stove will hold fire over night and your home will be just as warm in the morning as when you went to bed.

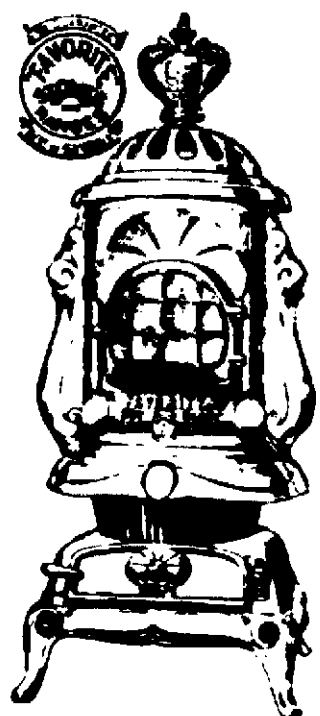

And a Favorite will save half your coal. It burns the smoke and gas that are as rich in heating units as the solid parts of the coal.

Every Favorite is durably built and has exclusive features that no other stoves have—features that are convenient and time saving.

The Favorites are the finest and most efficient soft coal heaters you have ever seen

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts through the System thereby destroying the foundation of the disease, giving the patient strength to build up the system and see the cure in a double way. The proposition is so much fair that it entitles the powers of Hall's Catarrh Medicine to the office. One Hundred Dollars for every case of Catarrh cured by this medicine. Address: F. J. CHAIRMAN IS THANKFUL

City and Villages Respond Splendidly and Exceed Quota in 4th Liberty Loan, Says Pfiffner

To the public and Liberty Loan committees of Portage county: As chairman of the Portage County Liberty Loan Committee, I take great pleasure in announcing to you that Portage county has exceeded its quota by a few hundred dollars at noon on the 18th instant. The quota was \$100,000, and up to that time we had sold \$100,000 worth of bonds in the county. This enormous task had been completed in less than three weeks. It was only possible to do so, through the combined efforts of all committees and salesmen throughout the county, and the hearty cooperation of the public. Practically every individual in the county, especially in Stevens Point and Portage, has contributed to the cause. A few individuals in the county, who, in the opinion of the committee, have failed to do their share, and these individuals will be called upon in a proper manner to do so.

Up to this noon the city of Stevens Point had subscribed \$500,000, and I am practically certain that \$100,000 more will be added at least, before the month at the post office closes this evening. The villages had subscribed \$100,000, or over \$20,000 over their quota. The city's excess of the quota will be around \$90,000, and the villages will run quite a little above the above figures. This means that the towns, whose burdens were lightened on the original quotas given, have failed to subscribe their quotas by something over \$100,000, and still the city and villages have placed the county over the top. The towns of Lanark and Amherst are the only towns in the county which made their quotas.

The city of Stevens Point exceeded its quota by \$2,000 on Saturday, the 12th instant, or in less than two weeks. Allow me to thank every individual solicitor, every committeeman, throughout the county, and the chairman of every unit in the county, on behalf of the United States government. Mr. E. J. Kearney, Federal Director of Sales for Wisconsin, who was in my office this morning, to personally congratulate you, and on my own behalf, for the splendid patriotic work all have done.

Yours, for the 4th Liberty Loan, J. R. Pfiffner, Chairman Portage Co. Liberty Loan Committee, October 19th, 1918.

HERE FROM MONTANA Mrs. Aug. Berndt, for the past thirteen years a resident of Montana, her present home being at Columbus, arrived here Sunday morning to visit a few days among local relatives. Mrs. Berndt is a sister of Ernest Weber, the band leader.

(Oct. 23—Ins. 7) STATE OF WISCONSIN—IN CIRCUIT COURT, Portage County. Joseph Ewalt, plaintiff, vs. Joseph Balon and Anna Balon, his wife, defendants.

Notice is hereby given, that by virtue of a judgment of foreclosure and sale rendered in favor of the plaintiff and against the defendants in the above entitled action on the 19th day of September, 1917, and docketed in the office of the Clerk of the Circuit Court for Portage county, Wisconsin, on said day, I, the undersigned sheriff of Portage county, Wisconsin, will offer for sale and sell at public auction to the highest bidder for cash, at the west front door of the court house in the city of Stevens Point, in said county and state on the 9th day of December, A. D. 1918, at one o'clock in the afternoon of said day, all the right, title and interest of the defendants in the following described premises, or as much thereof as may be sufficient to raise the amount due the plaintiff for principal, interest and costs, including costs of sale, to-wit: The Northwest Quarter (N. W. 1/4) of the Southwest Quarter (S. W. 1/4) of Section Ten (10) Township Twenty-four (24) North of Range No. Seven (7) East.

Dated at Stevens Point, Wisconsin, this 21st day of October, 1918. JOHN F. KUBISIAK, Sheriff for Portage County, Wisconsin.

STILL LOVES OLD HOME

J. W. Merry Well Pleased With Seattle, But Has Kindest Regards for Wisconsin Home

Judging from the tone of a letter written by him on Oct. 14th, J. W. Merry is well satisfied with climatic and other conditions at Seattle, Wash., where he has been located for the past few weeks and may decide to remain permanently. Mr. Merry was a member of the Stevens Point letter carrier force for several years, but because of poor health he was granted leave of absence and sought a change of climate in the west.

Portions of the gentleman's letter tell of his present vocation and also give impressions of his new home town.

"When I left home I didn't know just where I would land, or what I would do, but every man to his trade, so got a transfer from the Stevens Point postoffice, to Seattle postoffice as carrier, and expect to carry now until after the boys come back from France, which looks soon, from the reports we are getting from the German government.

"I rather enjoy my work, as it is much different from dear old Wisconsin. I often get tired there, but that place is a dream compared with Seattle as far as a letter carrier is concerned. To get to the mail box of each house the carrier has to ascend a 'Golden City' so far up I can see mountains 90 miles away and a 'Golden City' carrier that isn't very considerate I mean the climb.

"I am out at the University station and have a 'hunch' to work with, but they aren't Stevens Pointers.

"I am pleased with the city, more so than any large city I have visited; the scenery is wonderful, we take a long drive every evening, and each evening see some new sights.

"I enjoy meeting old Stevens Pointers; many are living in Seattle and every one willing to stay, but they all say, 'I still love old Stevens Point and its people.'

"I am finely located, in a nice neighborhood, and let me say, the door will always swing open for any one from the old home town. I never knew how much I loved her and its people until I knew I had to say good bye."

385,000,000 IS POTATO YIELD

The bureau of crop estimates reports a predicted yield of white potatoes of 385,000,000 bushels for the country. This is 58,000,000 bushels less than last year's total crop.

RETURN TO OLD HOME

Mr. and Mrs. Paul Kosholek and three children moved here from Milwaukee last week and now occupy the residence at 530 Jefferson, vacated by Paul M. Engelbert and family, who recently bought the Curran property at 317 Jefferson. Mr. Kosholek is a nephew of P. F. Kosholek of this city and was a boyhood resident of Stevens Point. The return of himself and family is gladly welcomed.

NO COMPLAINTS TO MAKE

Wm. Stienke, one of Stockton township's stalwart citizens, drove up from his home near Arnott last Saturday and greeted local friends a few hours. Will and his brother, Fred, now occupy the Stienke homestead, which they have purchased from the other heirs, and as both use their heads as well as their hands in conducting the farming industry, they are rapidly coming to the front. Corn was one of this season's best crops, a large proportion of ears on the Stienke place measuring thirteen inches in length and is of fine quality. They also had a good yield of potatoes and 5,000 bushels of the top price this year offered, \$1.50 per hundred.

FORTUNATELY UNTRUE

"Word was received here the last of last week of the death of Mrs. Carl Jensen at Waukesha. She will better be remembered as Miss Gertrude Holman. Her husband is also reported as very ill with the influenza."

The above taken from last Thursday's Plainfield Sun, will prove interesting reading to the lady mentioned Mrs. Jensen, whose home is at Kenosha and who is a daughter of Mr. and Mrs. F. C. Holman of this city, was in critical condition for several days but is now well along toward recovery.

DIES IN SASKATCHEWAN

Frank H. Benson, For Many Years a Resident of Portage County, Ex-pire in Canada Province

Many of Portage county's older residents who remember Frank Henry Benson will be grieved to learn of his death at Macoon, Saskatchewan, Canada, on Sunday, Oct. 13th, at the age of 65 years and five months. The funeral took place at his late home a week ago Tuesday.

Mr. Benson was a native of New York state but the family came to Wisconsin when Frank was a child and settled on land in the town of Stockton. He grew to manhood there and was twice married, his first wife having many years ago leaving the husband and one son, Royal.

The second wife was Miss Frances Hewitt of Plover and to them was born a son, Reginald. Both boys went west with their parents about 1875 years ago, Royal taking a homestead near Macoon. The other member of the immediate family is an adopted daughter, a new married and lives in the Saskatchewan province.

Mr. Benson had been a partner in the past year.

His old friends, and especially his former neighbors in Stockton and Plover, always regarded him as the highest type of a citizen and they will long cherish his memory.

WHISKEY AND RED PEPPER

Liberal Doses of This Mixture Given Pneumonia Patients at Army Camps—Said to be Life Saver

John R. Ragan, Mr. and Mrs. Fred and Miss Marguerite Ragan drove up from Grand Rapids Thursday and spent most of the day among local friends. The first named is Grand Rapids' leading furniture dealer and undertaker and is especially prominent in state and national gatherings of men engaged in these lines. His son, Fred, is enjoying a furlough from Camp Grant, Rockford, Ill., where he is a member of headquarters' company. During the recent epidemic of influenza the young man assisted for several days in hospital work and relates many distressing incidents of that terrible siege. The doctors and nurses were literally "driven to death" by the many demands upon them, thousands of the boys being stricken within a few days' time and several hundred failed to survive the subsequent attacks of pneumonia. The medical authorities failed to observe prohibition tenets in treating the more seriously affected patients, as the prescriptions were confined almost exclusively to liberal doses of whiskey, into which red pepper was sprinkled. This treatment was also followed at Great Lakes and is said to have saved many lives.

GONE TO SPOKANE

Mr. G. W. Miller and daughter, Miss Georgia, left here Saturday morning for Spokane, Wash., to spend the winter with their son and brother, Harry A. Miller, who has a responsible position in one of the railroad offices there. The ladies have made several stays in the west during recent years and consider the district in which Spokane is located as an almost ideal winter resort. Their home on Church street has been leased to David Newberry, principal of the High school.

A CHEESE MEAT SUBSTITUTE

Cottage cheese is a relatively cheap food worthy of more extensive use in the home in place of some of the meat ordinarily eaten. Following, called Boston roast, is a meat substitute made from cottage cheese and beans: Mash a one pound can of beans or equivalent quantity of home cooked beans or cowpeas, or put them through a meat grinder. Add one-half pound of cottage cheese and bread crumbs to make the mixture stiff enough to be formed into a roll. Bake in a moderate oven, basting occasionally with butter or other fat, and water. Serve with tomato sauce. This dish may be flavored with chopped onions cooked until tender in butter or other fat and a very little water.

ONLY DAUGHTER DIES

Mr. and Mrs. S. G. Pendergast Meet With Sad Loss at Milwaukee Home—**Short Illness Ends Fatally**

The sympathy of numerous Stevens Point friends will be extended to Mr. and Mrs. S. G. Pendergast of Milwaukee in the death of their daughter, Miss Marie Josephine, who passed away last Wednesday night after an illness of only a few days with heart failure. She was born in Milwaukee 22 years ago and was a graduate of Holy Angel's academy.

Besides her parents, she is survived by three brothers, George M., well known newspaper and publicity man, who recently has been devoting his time to the Red Cross and Liberty Loan campaigns; Robert L., member of Battery A, 120th Field artillery, now in active service in France, and Willard, of the 12th Aerial squadron, who is also in the fighting line in France.

Mr. Pendergast, a father, was born and grew to young manhood at the old home at the corner of Water and Shattuck streets. He began practicing on the Wisconsin Central at an early age and is now numbered among the Soo line's veteran passenger engineers.

The loss of their only daughter is indeed a crushing blow which time alone can soften.

Chas. Scribner, assessor of the town of Buena Vista, accompanied by his wife and Mr. and Mrs. A. P. Een, made an auto trip to Grand Rapids and Neokosa last Thursday.

Roy Larsen of Amherst Junction had an accident with his car Sunday evening. While driving past John Van Seiver's home a front wheel came off and the car turned turtle. Four young ladies were with him, but no one was seriously hurt, though one of the girls, Blanche Docka, had a badly bruised arm.

Mina Moyers, a life long resident of Amherst, passed away at the home of her sister, Mrs. C. M. Dwinell on Sunday morning at 9 o'clock. She had been ill for some time, but the end came suddenly from a stroke of paralysis. The funeral was held Tuesday afternoon from the Dwinell home. It was private on account of influenza epidemic.

Oscar Een, who is at Fort Oglethorpe, Ga., writes his father, John Een, that he is assisting in the U. S. General Hospital No. 14 during the epidemic of the flu, and that at that date he had 91 patients under his care as to the kitchen and diets of the sick boys, with two or three helpers. The flu patients were coming in at the rate of 300 per day in the hospitals there two weeks ago, but that only 16 were admitted on the date of his letter, Oct. 17th, showing that the flu was nearly over with at that camp, though they have had as high as 53 deaths in one day.

Mr. and Mrs. A. LaBlanc of Plover have moved over the most market building, Mr. LaBlanc being in charge of the American Co-operative Association here.

Mrs. Harold Patterson returned to her home at Almond Friday after spending a few weeks with relatives here.

Mrs. Margaret Patterson accompanied her and remained her guest until Saturday.

E. E. Baldrige will have an auction sale at his ranch, 1 1/2 miles from Bancroft, October 25th, disposing of stock, machinery and household goods. Mr. Baldrige intends moving his family to New York in a short time.

Our farmers have about finished digging potatoes and many are now hauling them from the fields to the warehouses for storage. The yield has been unusually good in general, the quality of the best, and the weather could not have been better. It seems that all around conditions are favorable to bring this awful struggle in which we are engaged to a victorious end. Let us not weary with well doing, but be more determined to serve our country. Now that we have bought our bonds, invest in war savings stamps.

GOOD AND BAD CROPS

E. B. Robertson, president of the Wisconsin State bank, returned home Monday from a several weeks stay at McClusky, Sheridan county, N. Dak., where he has banking interests. This county is in the geographical center of the state. Crops in that section can best be described by the adjective "spotted," some farmers having good yields while their nearest neighbors had very small harvests. One of the flax growers cleaned up \$100 an acre on this season's crop.

DEATH OF ERNEST BADTEN

An Illness of Several Weeks' Duration Culminates Fatally For Well Known Young Man

After an illness with diabetes and bronchial trouble of nearly eight weeks' duration, Ernest A. Badten passed away at his home, 224 Jefferson street, at 10 o'clock last Thursday morning. For several days before the end his condition was considered serious.

Ernest August Badten was called away in the prime of life, having reached his 31st year last Aug. 25. He was a young man of exemplary character, and besides his relatives leaves many friends to mourn his loss. He was born at Lomira, Wis., and when still a child moved to this city with his parents, Mr. and Mrs. Henry Badten. He received his education in the local public schools and Stevens Point business college, after which he was employed in the Soo line offices here until last winter. Since that time up to the time he was taken ill, he was engaged in office work connected with Liberty Loan and War Savings stamps drives.

His father, Henry Badten, passed away three months ago, and besides his mother, the deceased young man is survived by one sister, Mrs. Harold McCullum of this city and two brothers, William and Carl Badten, both in army service in France.

The funeral was held from the Badten home at 2 o'clock last Saturday afternoon, Rev. James Blake officiating, and burial was in Forest cemetery. The pallbearers were Allan C. Behrendt, Harry Brooks, Frank L. Keenan, Wm. E. Pagel, John McCullum and Allan Barnes.

POLITICAL ANNOUNCEMENT

(Written, authorized and to be paid for at the rate of five cents per line by Martin Heffron, whose postoffice address is Stevens Point, route 2, Wisconsin.)

Life-long resident of the town of Stockton; town clerk for twelve years; four years director of Amherst Telephone Co.; two years a member of County Board of Education.

I have a special interest in the laboring class and farmers, as the legislation for these are not generally well represented. It is the people's duty, as well as their privilege, to vote and it is for them to say who shall represent them as assemblyman. Ours is a party system of government and it is not to be supposed that everything the government does will be pleasing to every citizen. There are bound to be differences of opinion as to what is the best course to take. Such a government cannot really represent the wishes of all the people. All it assumes to do is to represent the will of the majority. This it should do in order to survive.

Should I be your choice, I shall give the work my personal attention and report to you, through the press, the transaction of every issue.

I had intended to make a tour of the county, but on account of the epidemic, I have arranged with the press to meet you face to face in this way.

Thanking you in advance for any effort you may make to assure my election, I am,

Yours respectfully,
Martin Heffron

ANKLE BROKEN BY CAR

Aged Lady Gets Hurt by Automobile Last Saturday Afternoon—Taken to Hospital

Mrs. Henrietta Berndt, whose husband, the late W. F. Berndt, Sr., was engaged in the hotel business at the South Side for many years, had one of her ankles broken when an automobile ran over her foot last Saturday afternoon. She was taken to St. Michael's hospital and the broken bones attended to. Because of the lady's advanced age and frail constitution, recovery will necessarily be slow.

The accident happened directly in front of the postoffice, at the intersection of Main street and Strong's avenue, and was due in part to the slippery pavement. Rain was falling at the time.

Mrs. Berndt started to cross the street just as Joe Bombera of Carson was driving north on the avenue, and although the latter claimed to be traveling only five or six miles an hour and sounded his horn repeatedly, he was unable to stop before striking the lady. She was shoved backwards along the pavement for eight to ten feet and it is quite probable that one wheel ran over her ankle.

Walter Campbell, chairman of Carson, who was in the car with Mr. Bombera, carried the lady to the side, walk and helped place her in another car which made quick time to the hospital.

It seemed to have been an unavoidable occurrence and one which Mr. Bombera could not prevent.

Mrs. Berndt's daughter, Mrs. Herman Schroeder, came up from Fond du Lac Sunday morning to assist in caring for her mother.

VICTIM OF INFLUENZA

Paul S. Firkus, who would have been fifteen years of age next Saturday, Oct. 26th, died at 6 o'clock yesterday morning at the home of his parents, Mr. and Mrs. Anton Firkus, 408 Portage street. He was taken with an attack of influenza a couple of weeks ago, the ailment later becoming virulent and resulted in his death.

Paul worked for a time for the Union Delivery Co. but of late had been attending school.

He leaves twelve brothers and sisters, John, who is now with the U. S. forces in France and lately erroneously reported as "missing in action," Leo, also an army man, who was at Kansas City when last heard from; Peter, Bertha, Angeline, Anna, Freda, Rose, Esther, Helen, Clara and Agnes, at home.

Funeral services will take place at St. Peter's church at 8 o'clock Thursday morning, with burial in the parish cemetery.

ANOTHER CHURCHLESS SUNDAY

For the second Sunday since the Spanish influenza epidemic, there were no services in Stevens Point churches last Sunday. With the removal of the ban on the use of gasoline there were many autos out during the day to enjoy the fine weather, but the habit of conservation which has been established makes most owners of cars think twice before uselessly burning gasoline.

MET STEVENS POINTERS

Lieut. Paul Collins has arrived in France safely, according to letters received from him by his parents, Prof. and Mrs. J. V. Collins in this city. He arrived at his destination on or about September 21, and has been receiving training at a French aviation school. He stated that all newcomers to the camp are obliged to start at the beginning of the course, no consideration being given to the training received on this side. The course over there will last for about six weeks. He mentioned seeing two Stevens Point boys, Maurice Gullikson at Southampton, England, and Lieut. Lawrence Park at Havre, Saumur where members of Troop I, which left here last fall, is stationed, if not more so, than it is in the States.

Mr. and Mrs. Anton Krembs and two children, Mrs. Alex Krembs, Sr., and Dr. and Mrs. Franz J. Krembs left Saturday in Dr. Krembs' car for a few days' visit at Richfield and Milwaukee.

THE FLU AT MARSHFIELD

Mr. and Mrs. John Martini spent last Thursday at Marshfield, going up to visit their daughter, Miss Helen, who is taking the course for nurses at St. Joseph's hospital. The young lady suffered an attack of influenza but at no time was in serious condition. It is said that Marshfield was literally "peppered" with the epidemic, 1,004 cases being reported there last week.

Nearly all the physicians were affected, in fact all except Dr. Mason were reported as laid up on Thursday.

STEEL DESTROYS SIGHT

Adolph Britz, youngest son of John Britz of Stockton, had the sight of his right eye destroyed several days ago and the eyeball was removed at a Milwaukee hospital last week.

The young man was using a hammer and chisel in attempting to cut the chain on an ensilage machine, when a small piece of steel struck him in the eye, making a deep gash in the pupil and ruining the sight. He went to Milwaukee, where the specialists decided that the ball must be removed in order to prevent infection in the remaining optic. He will return there for further treatment about Nov. 1st.

FUNERAL OF STUDENT NURSE

The funeral of Miss Selma Voigt, the probationer in the Army Nurse corps who died at Camp Hancock, Augusta, Ga., Oct. 11, was held from her late home at Amherst Junction last Friday.

The Augusta Chronicle of Oct. 12 says, "The death of Miss Voigt is the second to occur among the nurse corps at the hospital, the members of which have sacrificed every personal consideration to care for the unusually large number of patients admitted to the institution since the malady appeared at the camp."

EPIDEMIC ABOUT THROTTLED

In commenting on the Spanish influenza condition at Camp Hancock, Georgia, the Augusta Chronicle of Sunday, Oct. 13, says that the epidemic was about throttled at that time, that the new cases were less severe and there were few pneumonia cases. Lieutenant Colonel Barrett, commanding officer of the base hospital, Machine Gun Training Center, said: "The crest of the wave of so-called Spanish influenza apparently has passed over. If the situation continues to improve with the rapidity of the past few days, the malady will have burned out by next Sunday, with only a few scattering cases remaining."

As a number of Stevens Point young men are in training at Camp Hancock, relatives and friends here will be pleased to hear that the situation there is not alarming.

Dear Sir:

It is harness dipping time now. Leather is so high every strap should be saved. We oil with Neatslene Harness Oil, guaranteed to keep rats and mice from gnawing the leather, on account of the fish oil in it. It also gives a fine, soft black finish. Get your repairing done at the same time.
